

Here are two examples to illustrate this tool, using Las Vegas Justice Court and Reno Justice Court as comparisons:

For one court, you can generate the results as a line graph. Here is an example for Las Vegas Justice Court:

Additionally, you can draw statistics for all Justice Courts at once.

As a further option, you can present statistics in a column format in order to compare courts. An example involving our court and Reno Justice Court appears below:

Fiscal Year 2015	Reno Justice Court	Las Vegas Justice Court
Criminal Filings	5,938	44,170
